News from JP in Japan

Thanks for your prayers for my friend Peter, he has had the surgery to remove the tumour, 6 Nov and praise the Lord, they won't be opening his head but it will be done through his nose. His family have arrived to spend this challenging time with him. Please pray that the surgery goes well, for a quick recovery and that the tumour won't grow back.

My friend Lauren Horii is a Christian singer song writer and the daughter of Arthur Holland. She wrote a song called OMG (Oh my God) because this is so often misused in Japan, so she wanted to write a positive song about it.

In August she asked me to help with the choreography, our dance crew "New+Creature" helped her with the music video production which was released to YouTube and will the single will be out on 8 Nov. Have a look, enjoy and please share. <https://www.youtube.com/watch?v=KNorgys2bKo&sns=fb>

PRAYER POINTS FROM AROUND THE WORLD

Prayer Item 1 Changing weather patterns have led herders in West Africa to adapt their migration patterns to find grazing land for their livestock. In Nigeria this has led to conflict over resources between herders and local communities harvesting their crops. Please pray for peace between different groups and that local communities will harvest sufficient produce for the year.

Prayer Item 2 Please pray for people in Somaliland who have lost everything as a result of the severe drought. Over 3 million people are in urgent need of humanitarian assistance. Pray for wisdom, strength and continued compassion for Tearfund's partner staff as they deliver emergency programmes to reach those in most need.

Prayer Item 3 The situation in Yemen remains the worst humanitarian crisis in the world and one of the most under-resourced responses. There is a lack of food, safe drinking water and healthcare. Praise God for Tearfund's committed partners on the ground and pray for continued strength, energy and safety.

THANK YOU FOR YOUR FILLED SHOEBOXES

Samaritan's Purse have been in contact to say they have a special website for those who want to send a shoebox on line. "Easy to do on your mobile or tablet with just a few swipes or clicks. Select the gifts you want us to pack, personalise it with a message and photo, make your payment and we will pack and send your shoebox for you. Or you can select a pre-packed shoebox gift, which is even quicker. #5MinuteMiracle. This year Samaritan's Purse are sending shoeboxes packed online to children in Moldova and the goal is to reach at least 10,000 children with a gift-filled shoebox. You can make a difference this year - to a child who has nothing, your act of love means everything." see their website:
