Creating a Culture of Invitation

Imagine a church where church members are not afraid to invite people to the services, where they are confident that the experience will be good and that encounters with the living God will happen. According to the research 'Church Going in the UK' by Tearfund, almost 3 million people are open to being invited to church. Michael Harvey, international speaker, author and pioneer of both *Back to Church Sunday* and the *Weekend of Invitation*, will bring his training workshop to St Mary Magdalene Sale at on Tuesday 22nd May 7.45-9.30pm.

If anybody would like to join Christopher at this free Diocese of Chester event please let him know.

Real Change

Whether we are new Christians or mature, we all have areas of our lives which need transforming. Some of us tend towards anger or impatience, others towards jealousy or discontent. Some of us struggle with addictions and, in different ways, all of us still harbour pride in our hearts. God is not planning on leaving us this way! As Philippians reminds us, God is going to bring to completion the good work he has already begun in us (Phil 1:6). But how does this process of change work? Based on the "three trees" model from CCEF, **Real Change** is a course for anyone who wants to find out how the gospel changes us from the inside out – anyone who wants to take a look at what is going on in their heart and grow with God's help to see **Real Change**. You can find out more at <https://www.biblicalcounselling.org.uk/realchange/>
The course will be held at St John's Church, Knutsford on Thursday evenings and led by Sally Lee. There is no charge for the course other than £3.50 for the course handbook. Dates: 13 Sept / 20 Sept / 27 Sept / 4 Oct / 11 Oct / 18 Oct / 25 Oct / (1 Nov break for half term) / 8 Nov - final meet.
